

Since 1990, the CEF has been a cornerstone of support for our students, providing grants for educational experiences and college scholarships.

Thanks to your generosity, we have awarded over \$180,000 in grants for student activities and enrichment.

We cannot provide these student opportunities without your support!

A few examples of CEF donations at work:

### CHS Spring Musicals

We've helped support productions like Mama Mia, Beauty and the Beast, and in 2024 Cinderella- which used grant funding to build the biggest and most elaborate set yet. Many students joined the cast and crew for the first time and had fun learning, working together and creating the backdrop for this fairytale!

### 1st Grade Richardson Farms Field Trips

Students were able to see Science & Social Studies lessons in action at a local farm! Learning about energy sources, how to care for plants- even getting their own to take home.

### CMS Creative Writing Club

Empowering 7th & 8th graders to develop their own unique creative writing "voice". Funds assist with various competitions and materials.

### CHS OH Scholastic Media Association's Fall Workshop at Kent State

50 journalism and yearbook students attended in 2024. "The workshop is a great way for high school students to explore many different ideas, techniques, and skills for their high school, college and future careers in journalism, yearbook, and graphic design."

~ John Carmignano, Cloverleaf HS Journalism teacher

### College Scholarships

CEF oversees annual scholarship funds and has awarded many Cloverleaf seniors with funds to further their academic college careers.

Please consider giving a gift to the **Cloverleaf Education Foundation** this year!

Donate Here

The CEF's tradition of incurring NO administrative expenses remains; all funds are allotted directly to programs benefitting our Cloverleaf students.
