### **Cloverleaf Elementary School – Parent Compact**

Parents, teachers, other school staff and students will share the responsibilities for improved student academic achievement. The Cloverleaf Elementary school and parents continue to build and develop a partnership to help children achieve. This compact outlines how each stakeholder participates.

Teachers and staff will be responsible for supporting student learning by:

- Providing high-quality curriculum and instruction
- Providing a supportive and effective learning environment
- Responding to parent suggestions in a timely manner
- Offering flexible conference times on an annual basis.

Students will be responsible for improving their performance by:

- Asking questions
- Treating people with respect
- Participating in school lessons and activities
- Coming to school with a healthy mind and body
- Completing homework.

Each parent will be responsible for supporting their child's learning such as:

- Communicating with school staff
- Assisting with homework completion
- Volunteering at school
- Monitoring attendance
- Monitoring use of extracurricular time (limiting television and video games, etc.).

As an educational team, the undersigned agree to support this compact.
