

Disclosure of Student Directory Information

Cloverleaf Local Schools is required by law to release student directory information when requested for non-profit use. Most requests for directory information come from the armed forces and from colleges. The information will be released unless a parent or guardian submits a written request otherwise to the student's school office.

Student directory information includes:

- 1.) Name
- 2.) Address
- 3.) Telephone numbers
- 4.) Date and place of birth
- 5.) Participation in official school activities and sports
- 6.) Height and weight, if a member of a sports team
- 7.) Awards and honors
- 8.) Major field of study
- 9.) Dates of enrollment
- 10.) Date of graduation

Cloverleaf seeks to highlight positive student achievement by posting news and photos on the district Web site, on social media channels, through the news media, and in district publications. If a parent or guardian wishes for their student's name, photo and / or achievements not to be released, a written request must be submitted to the student's school office.
