

Dear Supporters,

For over 30 years the Cloverleaf Education Foundation (CEF), has been supporting our students by way of grants for educational experiences and college scholarships. In that time, we have provided over \$150,000 in grants for student activities and enrichment. With the support of our Cloverleaf community, this past year we were able to sponsor:

- * 2022 CHS spring musical, Beauty and the Beast
- * Air: The Invisible Wonder- an assembly for 2nd graders
- * 1st grade field trip to Richardson Farms
- CES Library books and displays
- Coming soon Signage for reinforcement of PBIS (Positive Behavioral Interventions and Supports) at CES

CEF also oversees annual scholarship funds and has awarded hundreds of deserving Cloverleaf seniors with monies to further their academic college careers by way of the following:

- * \$1,000 Letha House Scholarship
- \$2,000 Chippewa on the Lake Women's Scholarship
- * Cloverleaf Education Foundation's own scholarship of \$1,500 to one or more students each year

We would not be able to provide these student opportunities without your support and ask that you consider giving a gift to the Cloverleaf Education Foundation this year. The CEF's tradition of incurring NO administrative expenses remains; all funds are allotted directly to programs benefitting our Cloverleaf students.

Thank you in advance to all new and continued donors!

Sincerely,

Trustees: Dee Ehret, Kristin Fallow, Randy Pollock, Kristy Todd, Kate Walley, Jenny Wolff, Patty Workman
