Parent/Guardian: I give permission for my child to receive this medication at school according to the school district policy.

I agree and am responsible to:

- Deliver this medicine to school in its original container.
• Tell the school as soon as possible if there is a change in the use of this medicine.
• Complete a new medicine form for this medicine if there are dose changes. If medication dosage does not match the instructions on original container, a healthcare provider order is required.
• If this medication is needed for greater than 4 consecutive days a healthcare provider order is required.

I agree for child's healthcare provider to talk with the school or any school staff person about this medication if needed. No other part of my child's medical health will be discussed. When my child receives this medication I will be notified.

The Cloverleaf Local School District is not required by Ohio law to administer non-prescription medication to students. District Board Policy JHCD permits authorized District employees to administer non-prescription medication to students only with a parent/guardian's agreement to this release of claims and waiver of liability.
