

Political Party Creation Assignment

This assignment is designed to allow you to create your own political party. Have you ever examined the major political parties in the United States and thought to yourself, “I can do better than that!” This is your opportunity to do so.

1. 1. This is a group assignment. Groups may have 2-4 people.
2. 2. Your party must have a name and a logo. For example, the Republican Party has an elephant, the Democrats and donkey, the Reform party an eagle, and the Green party a sunflower. Create a name and a logo.
3. 3. Your party must have a platform. A platform is a written outline and explanation of what your party believes in and why. Your party can be a single-issue party, an ideological party, a splinter party, or a regular broad based political party. Your platform must have positions under the following topics:
 - I. Social Issues
 - II. Domestic Issues
 - III. Foreign Policy
4. 4. This assignment will be graded on content and form. Be neat, exact, detailed, and proofread. Your party platform should be detailed and a minimum of three pages.
